D. Approval of Agenda: President King requested that Item II.L ("Board to consider and approve **RESOLUTION NO. 2009-6-6 RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT ADOPTING A TIME LIMIT FOR SPEAKERS AT THE BOARD HEARINGS AND MEETINGS**") be moved to the second matter under Current Business Matters, between II.A and II.B. *A motion was made by Director Andersen to move Item II.L to between Items II.N and II.O. The motion failed for lack of a second. MSC: King/Mendenhall moving Item II.L to between Items II.A and II.B. MSC: Mendenhall/Shimeall approving the Agenda as amended.*

E. Approval of Minutes:
Regular Meeting of May 27, 2009. Allison Burns noted that she did not make the statement regarding the Negotiating Committee (Item III.A.4). It should have been Rich Williamson. Marshal Brecht requested that his statement during the budget presentation (Item II.E, next to the last paragraph on Agenda page 8) be corrected to read, ". . . depreciation should be listed after income, . . ." rather than "under income." Director Shimeall requested that the name of the street where the crew is redoing a pipeline (Item V.B) be included. Jerry Rolwing reported it was Diegueno Road. *MSC: Smiley/Mendenhall approving the Minutes of the May 27, 2009 Regular Meeting as corrected.*

F. Comments from the Public and Requests for Future Agenda Items: Beth Hart noted that the Resolution adopting tiered rates, No. 08-4-1, says they were adopted in principal. Ms. Burns explained that they were adopted in principal subject to hearings, and thereafter, they were formally

adopted. She advised Ms. Hart she was entitled to a record of the action pursuant to the Public Records Act.

G. Comments from Directors and Requests for Future Agenda Items: Director Andersen reiterated her request to place an item regarding identity theft on the next Closed Session Agenda.

Director Anderson asked the Board's legal counsel for clarification of Board members' fiduciary responsibilities.

Director Smiley expressed concern regarding review of the proposed budget last month line item by line item. He recommended that the detailed review be done in committee, with the public invited should they wish to discuss it in detail. The Board meeting should include a short discussion and vote. Ms. Hart pointed out that ad hoc committee meetings are not publicized, and Director Andersen agreed that they should be.

H. Correspondence: Mr. Williamson reported that he had been appointed as a Special Districts representative to LAFCO.

II. CURRENT BUSINESS MATTERS

A. Consideration and possible action regarding continuation of Directors health benefits: *A motion was made by Director Andersen to cease the Directors' health care benefits. The motion failed for lack of a second.*

L. Board to consider and approve **RESOLUTION NO. 2009-6-6 RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT ADOPTING A TIME LIMIT FOR SPEAKERS AT THE BOARD HEARINGS AND MEETINGS:** *A motion was made by Director Smiley and seconded by Director Mendenhall to adopt Resolution No. 2009-6-6, Resolution of the Board of Directors of the Borrego Water District Adopting a Time Limit for Speakers at the Board Hearings and Meetings.* Lucy Larson requested an interpretation of Section 1, which read in part, ". . . if and to the extent the Brown Act and/or Administrative Code entitle a member of the public to speak" She further expressed concern regarding the proposed three-minute limit, wondering whether this included responses from Board or staff members and requests for clarification. In response to her first question regarding Section 1, Allison Burns explained that the District's Administrative Code cannot be more restrictive than the Brown Act, but it can be less restrictive. As to the second question, President King and Ms. Burns agreed that the time limit would not include the District's response to the member of the public. Director Smiley suggested setting the limit at five minutes per agenda item. Director Andersen pointed out that Roberts Rules of Order provides that one speaker may yield his/her time to another speaker, and Beth Hart added that the District Administrative Code provides that the Board shall follow Roberts Rules of Order. Ms. Burns pointed out that the proposed Resolution now provides for no yielding, but of course the Board can change it. Director Smiley felt that yielding would be appropriate, and President King concurred. *A substitute motion was made by Director Smiley and seconded by Director Shimeall to table this item, restructure it and bring it back to the Board at its next meeting.* President King recommended that the matter be referred to the Negotiating Committee. A Committee meeting was set for July 8 following the Groundwater Management Committee meeting, and Mr. Williamson promised to notice the public. *The original motion and second and the substitute motion and second were withdrawn.*

B. Presentation of current Financing and Grant opportunities for the District: Mr. Williamson invited the Board's attention to his memorandum in the Agenda packet. He and Mr. Rolwing had been meeting with federal and State agencies regarding some promising grant and loan opportunities. The best long range potential is the submission of a request for a basin study by the Bureau of Reclamation. The District's initial scoping request was accepted, and we are now one of six finalists for four funding opportunities. There is a future possibility of obtaining free water rights through the Bureau, with the District paying conveyance costs.

Director Andersen asked whether the District's costs for aerial surveys and computer aided drafting could be reimbursed through the STAG grant for the Southeast Water Importation Line. Mr. Williamson replied that we would apply for in-kind credit.

Mr. Williamson reported that due diligence for the I-Bank loan is complete, and the District has been invited to submit its final application.

The Regional Water Management Group, which will perform long range water planning for the District and lands along the eastern boundary of San Diego County, will assist in obtaining Proposition 84 funding. Director Shimeall asked about the prospects, and Mr. Rolwing explained that some bonds are being sold, but some projects have been suspended pending adoption of a State budget, so new funding opportunities are not expected until then.

An audience member asked how the District would repay its loans. Mr. Williamson explained that we had to meet a coverage ratio in terms of cash flow. A rate review is underway, anticipating that some costs will be shifted to future development via assessments on vacant land.

C. Consideration and possible action regarding approval of the Engagement Letter with Sutter Securities for assistance in obtaining I-Bank Loan: Mr. Williamson explained that Sutter Securities had introduced the District to the I-Bank loan opportunities, attended meetings and prepared the initial application. These services would normally require payment of at least one point, but in this case Sutter's \$25,000 fee is less than a half percent. *MSC: Mendenhall/Smiley approving the engagement letter with Sutter Securities contained in the Agenda packet and authorizing President King to sign it.*

D. Consideration of RESOLUTION NO. 2009-6-7 A RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT, SAN DIEGO COUNTY, CALIFORNIA, AUTHORIZING THE SUBMISSION OF THE APPLICATION TO THE CALIFORNIA INFRASTRUCTURE AND ECONOMIC DEVELOPMENT BANK FOR FINANCING OF WATER RESOURCE INFRASTRUCTURE IMPROVEMENTS 2009-2012, DECLARATION OF OFFICIAL INTENT TO REIMBURSE CERTAIN EXPENDITURES FROM PROCEEDS OF OBLIGATION, AND APPROVING CERTAIN OTHER MATTERS IN CONNECTION THEREWITH: *A motion was made by Director Mendenhall and seconded by Director Shimeall to adopt Resolution No. 2009-6-7, A Resolution of the Board of Directors of the Borrego Water District, San Diego County, California, Authorizing the Submission of the Application to the California Infrastructure and Economic Development Bank for Financing of Water Resource Infrastructure Improvements 2009-2012, Declaration of Official Intent to Reimburse Certain Expenditures from Proceeds of Obligation, and Approving Certain Other Matters in Connection Therewith.* Ms. Burns requested that Agenda packet page 21, Section 1.A be amended to state that the project is consistent with the General Plan of the County of San Diego. *Directors Mendenhall and Shimeall amended their motion and second accordingly. The amended motion carried, with Director Andersen abstaining and all other Directors voting aye.*

E. Consideration and possible action by the Board of Directors authorizing the General Manager to apply for a Basin Grant from the U.S. Bureau of Reclamation, and committing to providing for the non-federal share of the Plan in an amount not to exceed \$1.2 million: Mr. Williamson requested authorization, to be reflected in the Minutes, to commit the District to providing its non-federal share of the potential Basin Study Initiative offered by the Bureau of Reclamation. The commitment would be forwarded to the regional office of the Bureau in Boulder City.

Director Mendenhall asked how the Basin Study would relate to the current United States Geological Survey study. Mr. Williamson explained that the two studies would dove tail.

Discussion followed regarding the proposed District commitment of not-to-exceed \$1.2 million. Mr. Williamson did not expect it to exceed \$750,000, more than half of which would be in in-kind services. The District will also seek contributions from the golf course and agricultural communities.

Director Smiley asked how the Basin Study Initiative related to the Bureau of Reclamation's potential 15,000 acre feet per year of available water for Borrego Springs. Mr. Williamson explained that the study would define our need, and then options would be identified. The study would address climate change, environmental effects of the overdraft, the economy and other factors.

MSC: Smiley/Mendenhall authorizing the submittal of an application for a Basin Study Initiative from the Bureau of Reclamation, to be sent to the Bureau tonight via overnight mail, with a commitment that the District will provide the non-federal share, not to exceed \$1 million. The motion carried, with Director Andersen voting no and all other Directors voting aye.

Mr. Williamson expressed his appreciation for the assistance of Bill Mills and Jim McConnell in pursuing this opportunity.

F. Review of Special Assessments for FYE 2010 and Review of Administration Report Fiscal Year 2009-2010 prepared by David Taussig and Associates for CFD No. 2007-1 – Andrea Roess: Ms. Roess presented the special assessments and tax levies for CFD 2007-1 (Montesoro) and offered to answer questions. Upon adoption, the proposed Resolutions will be submitted to the County and included on the property tax roll. There have been no significant changes since the last adoption.

G. Consideration of RESOLUTION NO. 2009-6-1 RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT, SAN DIEGO COUNTY, CALIFORNIA, LEVYING STANDBY CHARGES AND/OR ACREAGE ASSESSMENTS TO DEFRAY THE COST OF OPERATIONS AND MAINTENANCE OF THE DISTRICT AND REQUESTING THE LEVY AND COLLECTION OF SAID STANDBY CHARGES AND/OR ACREAGE ASSESSMENTS ON LAND WITHIN THE DISTRICT FOR THE FISCAL YEAR 2009-2010: *MSC: Smiley/Mendenhall adopting Resolution No. 2009-6-1, Resolution of the Board of Directors of the Borrego Water District, San Diego County, California, Levying Standby Charges and/or Acreage Assessments to Defray the Cost of Operations and Maintenance of the District and Requesting the Levy and Collection of Said Standby Charges and/or Acreage Assessments on Land Within the District for the Fiscal Year 2009-2010. RC: AYES – Smiley, Mendenhall, Andersen, Shimeall, King.*

H. Consideration of RESOLUTION NO. 2009-6-2 RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT, SAN DIEGO COUNTY, CALIFORNIA, LEVYING STANDBY CHARGES AND/OR ACREAGE ASSESSMENTS TO DEFRAY THE COSTS OF OPERATIONS AND MAINTENANCE OF THE DISTRICT, AND TO PAY COSTS OF OPERATIONS AND MAINTENANCE FOR IMPROVEMENT DISTRICT NO. 1 AND REQUESTING THE LEVY AND COLLECTION OF SAID STANDBY CHARGES AND/OR ACREAGE ASSESSMENTS ON CERTAIN LAND IN IMPROVEMENT DISTRICT NO. 1 FOR THE FISCAL YEAR 2009-2010: *MSC: Shimeall/Smiley adopting Resolution No. 2009-6-2, Resolution of the Board of Directors of the Borrego Water District, San Diego County, California, Levying Standby Charges and/or Acreage Assessments to Defray the Costs of Operations and Maintenance of the District and to Pay Costs of Operations and Maintenance for Improvement District No. 1 and Requesting the Levy and Collection of Said Standby Charges and/or Acreage Assessments on Certain Land in Improvement District No. 1 for the Fiscal Year 2009-2010. RC: AYES – Shimeall, Smiley, Andersen, Mendenhall, King.*

I. Consideration of RESOLUTION NO. 2009-6-3 RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT, SAN DIEGO COUNTY, CALIFORNIA, LEVYING CHARGES AND/OR ACREAGE ASSESSMENTS TO DEFRAY THE COST OF PROVIDING PEST CONTROL SERVICES BY THE DISTRICT AND REQUESTING LEVY AND COLLECTION OF SAID CHARGES AND/OR ACREAGE ASSESSMENTS FOR THE FISCAL YEAR 2009-2010: *MSC: Shimeall/Andersen adopting Resolution No. 2009-6-3, Resolution of the Board of Directors of the Borrego Water District, San Diego County, California, Levying Charges and/or Acreage Assessments to Defray the Cost of Providing Pest Control Services by the District and*

Requesting Levy and Collection of Sand Charges and/or Acreage Assessments for the Fiscal Year 2009-2010. RC: AYES – Shimeall, Andersen, Mendenhall, Smiley, King.

J. Consideration of **RESOLUTION NO. 2009-6-4 RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT, SAN DIEGO COUNTY, CALIFORNIA, LEVYING STANDBY CHARGES AND/OR ACREAGE ASSESSMENTS TO DEFRAY THE COST OF OPERATING AND MAINTAINING THE WATER FACILITIES WITHIN IMPROVEMENT DISTRICT NO. 3 OF THE DISTRICT AND REQUESTING THE LEVY AND COLLECTION OF SAID STANDBY CHARGES AND/OR ACREAGE ASSESSMENTS FOR THE FISCAL YEAR 2009-2010**; *MSC: Smiley/Andersen adopting Resolution No. 2009-6-4, Resolution of the Board of Directors of the Borrego Water District, San Diego County, California, Levying Standby Charges and/or Acreage Assessments to Defray the Cost of Operating and Maintaining the Water Facilities Within Improvement District No. 3 of the District and Requesting the Levy and Collection of Said Standby Charges and/or Acreage Assessments for the Fiscal Year 2009-2010. RC: AYES – Smiley, Andersen, Mendenhall, Shimeall, King.*

K. Consideration of **RESOLUTION NO. 2009-6-5 RESOLUTION OF THE BOARD OF DIRECTORS OF THE BORREGO WATER DISTRICT ACTING AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 2007-1 OF THE BORREGO WATER DISTRICT AUTHORIZING THE LEVY OF SPECIAL TAXES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2007-1 FOR THE FISCAL YEAR 2009-2010**; *MSC: Mendenhall/Shimeall adopting Resolution No. 2009-6-5, Resolution of the Board of Directors of the Borrego Water District Acting as the Legislative Body of Community Facilities District No. 2007-1 of the Borrego Water District Authorizing the Levy of Special Taxes Within Community Facilities District No. 2007-1 for the Fiscal Year 2009-2010. RC: AYES – Mendenhall, Shimeall, Andersen, Smiley, King.*

President King declared a recess at 10:55 a.m., and the Board reconvened at 11:10 a.m.

M. Consideration by the Board to authorize General Manager to write a letter of support on behalf of Board of Directors to support Assembly Bill, AB 1399; Mr. Williamson reported that State Assemblyman Anderson had requested the District's support for AB 1399, which would limit the granting of gifts. *MSC: Smiley/Mendenhall authorizing the General Manager to write a letter of support on behalf of the Board of Directors to support Assembly Bill AB 1399.*

N. Consideration and Approval of FYE 2010 O&M and Capital Budget: Mr. Williamson distributed his memorandum to the Board through the Budget Committee, noting that President King had endorsed the recommendations but Director Andersen had requested additional time for review. He summarized the budget proposal, which included a reduction in the capital budget for new reservoirs based on new technology to replace the prior method of basing costs on a standard price per gallon of storage. A new item in the sustainable water program is \$500,000 for the Bureau of Reclamation study. Mr. Williamson pointed out that the capital budget is not intended to reflect an absolute expenditure of funds, but is based on the District's programs, goals and priorities. Elements included the water conservation program, sustainable water program, new development engineering, water distribution system, new production wells and upgrades, new reservoirs, sewer system, vehicles, buildings, office expenses and groundwater management.

Lucy Larson expressed concern regarding the operating budget and urged the Board to take additional time to study the issues, particularly interest costs on the \$5 million I-Bank loan. Mr. Williamson explained that the loan was similar to a line of credit, and withdrawals are not anticipated until near the end of the fiscal year. We have until 2012 to spend the money.

Mr. Williamson pointed out that the proposed operations and maintenance budget is less than the BWD and Community Services District O&M budgets combined for last year.

Director Andersen noted that the Budget Committee had not met since the last Board meeting, and she was concerned that they had not approved the new Customer Service Representative position. Mr. Williamson replied that the position had not been filled, and Board approval of the job description and authorization to hire would be requested prior to doing so. Directors Smiley and Shimeall added that the Personnel Committee had discussed the position.

A motion was made by Director Mendenhall and seconded by Director Shimeall to adopt the proposed Capital Budget for FYE 2010. The motion carried, with Director Andersen abstaining and all other Directors voting aye.

*A motion was made by Director Smiley and seconded by Director Mendenhall to adopt the proposed Operations and Maintenance Budget for FYE 2010. Mr. Williamson reported that no salary increases are proposed this year, but two new positions are requested, one to replace an anticipated retiree and one to convert a consultant to an employee. Budgets for consultant services and maintenance would be reduced. Mr. Williamson had received two written comments on the budget. Ms. Larson was concerned that the contra account, which transfers funds from O&M to capital when employees work on capital projects and could put the budget out of balance. Mr. Williamson explained that this is a common practice, and the auditors found no problem with it. Marshal Brecht had also submitted written suggestions, which Mr. Williamson was not inclined to adopt. **The motion carried, with Director Andersen voting no and all other Directors voting aye.***

President King declared a recess at 12:25 p.m., and the Board reconvened at 12:35 p.m.

O. Discussion and direction from the Board regarding the Water Credit/Mitigation Policy and commencing compliance with CEQA requirements: Mr. Williamson invited the Board's attention to the final draft of the Water Credit/Mitigation Policy in the Agenda packet, and requested direction to begin the CEQA process. He predicted that all environmental effects would be positive, so hopefully the policy can be considered for adoption at the next Board meeting. It has been reviewed extensively by the Groundwater Management Committee and the public. **MSC: Mendenhall/Andersen directing the General Manager to commence compliance with CEQA requirements relative to the Water Credit/Mitigation Policy.**

Bill Wright asked the Board to consider exempting nonprofit organizations from the mitigation requirements, as the County does. Jim Engelke pointed out that section 2.K of the policy, which defines "EDU (Equivalent Dwelling Unit)," essentially exempts nonprofits by its language. In response to another question from Mr. Wright, Ms. Burns confirmed that a potential fallower may require cash out of escrow prior to the fallowing. This is a matter between the buyer and seller.

President King declared a recess at 1:00 p.m., and the Board reconvened at 1:45 p.m. Director Andersen did not return.

III. COMMITTEE REPORTS & PROPOSALS

A. Ad Hoc Committees:

1. Personnel. The Personnel Committee had nothing to report in open session.
2. Budget/Finance/Contract/Grants. No report.
3. Services Committee. President King reported that the Services Committee met yesterday, and Mr. Williamson added that they discussed the District's park powers.
4. Negotiating. No report.
5. Sewer. No report.
6. Capital Projects. No report.

B. Standing Committees:

1. Conservation. Director Shimeall invited the Board's attention to the Conservation Committee Minutes, included in the Agenda packet, and the conservation subsidies paid to date. She and Diana Del Bono attended the eighth grade graduation and presented awards for the conservation projects.

2. GWM. Bob McKee inquired about the list of Best Management Practices for commercial customers which had been proposed in conjunction with the tiered rate program. Mr. Williamson replied that the Groundwater Management Committee had appointed a subcommittee to look into this and local businesses were consulted. Research will continue, and some of the practices have already been implemented. However, there are enforcement issues. Ms. Burns confirmed that the BMPs could be added in the future without the Proposition 218 process. Director Smiley suggested asking the subcommittee to draft and publish a list of BMPs to date. We can always add to them.

Ms. Hart inquired about the lower rates offered for customers in higher tiers who reduce their usage by 10 percent per year over four years. What about those who realize a reduction greater than 10 percent in the first year? Mr. Rolwing replied that they would be considered on a case-by-case basis by the Committee.

IV. CONSENT AGENDA: The Consent Agenda includes reports that are distributed with the Agenda packet and are submitted for filing following Board approval. At the first Board meeting of each quarter, **Jan/April/July/October**, these items will be discussed in full. Any member of the Board, staff or public may request items from the Consent Agenda be removed for discussion. Items so removed shall be acted upon separately immediately following approval of items remaining on the Consent Agenda.

A. Water and Wastewater Operations Report – May, 2009.

B. Water Production/Use Records – May, 2009.

C. Financial Reports – May, 2009.

1. Disbursements & Claims Report.
2. Financial Statement for Period Ending.
3. Treasurer's Report.
4. Capital Improvement Program.
 - 01-Water Conservation Program
 - 02-Sustainable Water Program

MSC: Mendenhall/Smiley approving the Quarterly Reports.

V. STAFF REPORTS

A. Manager's/Engineer's Report: Mr. Williamson reported the key issues since his last report were grants, loans and the budget process. The investment policy will be reviewed, considering the new Wells Fargo account, FDIC coverage and the need to diversify. Options will be investigated and presented to the Board.

Discussion followed regarding a possible change to the date of the next Board meeting to ensure a full 30 days for CEQA review prior to consideration of the Water Credit/Mitigation Policy. Staff will coordinate with the Board members on their availability.

B. Operations Report: Mr. Rolwing reported that the Diegueno Road pipeline is complete, has passed all tests and is hooked up. We have two new hydrants. Pipe laying will be suspended in August. We are still awaiting approval of Well #5.
