

**Borrego Water District  
Town Hall Meeting  
2016**

**INFRASTRUCTURE  
AND  
STORAGE**

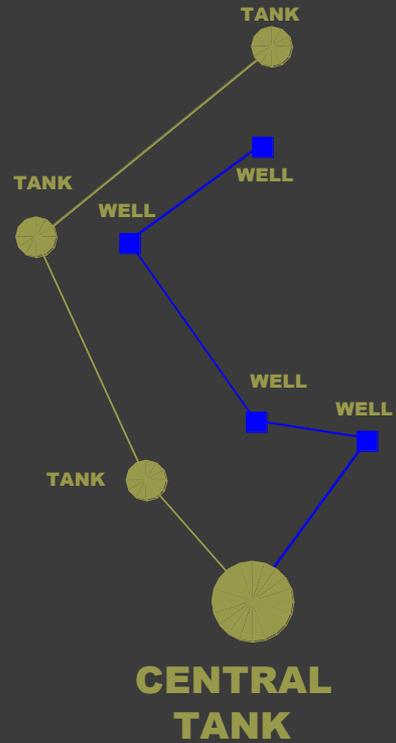

# Piecing Together the District

# OLD SYSTEM

# NEW SYSTEM

# TASKS REQUIRED

- ① Location for a New 2 MG Tank
- ① Plan to Connect Source Water through a Single Production Pipeline without Public Use
- ① Construction of a Pumping Station to lift Source Water to New Tank
- ① Construct a New Pipeline to Bring the Water back into the Existing Distribution System for Public Use

# **NOW IS THE TIME TO PLAN**

**Because of the time and expense involved to complete this, the District needs to start planning NOW**

# THANK YOU
