

The logo of the Borrego Water District is a circular emblem. It features a central figure of a person in a dark uniform, possibly a firefighter or a worker, standing on a rocky outcrop. The figure is surrounded by stylized blue waves or water. The words "BORREGO WATER DISTRICT" are written in a light blue, sans-serif font around the perimeter of the circle. At the bottom of the circle, the text "EST. 1962" is also written in the same font. The entire logo is semi-transparent and serves as a background watermark for the document.
